About me

I am a junior frontend developer with a background in the library industry, currently changing careers into tech. I have many years of experience working with customer service, project management and information management, I'd love to put those skills to use in a new context. Passionate about equality, diversity and beautiful, user-friendly design.

Education

LIBRARY AND INFORMATION SCIENCE (B.Sc.)

University of Borås / 2014 – 2017

ART HISTORY, CULTURAL SCIENCE RELIGIOUS STUDIES

Various Universitites / 2010 – 2013

Skills

CSS3 | HTML5 | JAVASCRIPT ES6 | REACT

REDUX

Customer service

Information management

Project management

Experience

FRONTEND DEVELOPER

Technigo / Remote / 01/2021 – 06/2021

A 24-week remote Boot Camp, focusing on JavaScript ES6, React, HTML5, CSS3 and server-side programming with Node.js. We worked with Agile methodology through weekly sprints planning, check-ins, demos and reflections. Mob-programming and pair-programming.

PROJECT MANAGER

Library of Trollhättan / Trollhättan / 06/2020 – 08/2020

I was in charge of organizing and coordinating the public summer events, working with a small cross-functional team. I was responsible for marketing and documenting the events, and took care of all the practial preperations for each event.

LIBRARIAN

Various employers / Borås, Gothenburg / 2017 – 2020

I worked with customer service, project management and information management in various contexts (school libraries and public libraries). Lots of team work, educational work, external monitoring and written communication.

LIBRARY ASSISTANT

Various employers / Karlstad, Kil / 2009 – 2014

I worked with customer service and information management. Lots of reshelving, weeding, cataloguing and bookkeeping.
